

Imagine a tiny church set amongst snow clad farmland, topped with a spire and overlooked by an ivory capped glacier. Picture a log cabin hotel and a room with a veranda, outside of which there is a hot tub with the Northern Lights overhead. Then let us help you plan everything the way you want it to be for a traditional Lutheran wedding in the dramatic surroundings of Southern Iceland.

HÓTEL RANGÁ

Built in log cabin style but with 4 star hotel luxury, the Rangá has just 45 rooms including a colossal Royal Suite, which is probably the most sumptuous hospitality room in Iceland outside Reykjavík, and is a perfect jumping off point for South Iceland's major scenic attractions. The hotel has its own outdoor hotpots, a lounge bar and a restaurant with a signature 'Surf and Turf' dish made with Icelandic lamb and lobster.
